

# PRIMARY SCHOOLS CROSS COUNTRY

The primary schools cross country competition took place on Wednesday the 14<sup>th</sup> March in Navan Adventure Sports Centre @ 11am. This was the second year we used the Adventure Sports Centre as a venue and it proved a good choice. Given the aftermath of the Beast from the East and storm Emma the course was relatively dry and in good condition for the competition. The weather wasn't cooperating but that didn't stop the 900 children and 22 primary schools who came to compete. Our thanks goes to Darren and the crew at Navan Adventure Sports Centre for the use of their grounds also to all those from various Meath athletics clubs who helped with erecting and taking down the course and the running of the event. The results are as follow:
